Why Southern English College?

Small Class Sizes

Our philosophy is quality over quantity. We believe that keeping our classes small creates a nurturing learning environment where students gain more access to their teacher and as a result have more opportunities to discuss their individual needs and progress faster towards their learning goals.

Teaching Staff

The teachers at SEC excel at providing the necessary support and guidance you require on your journey to better English. They are innovators who use their knowledge of English and teaching experience to create fun, engaging lessons and apply a variety of teaching methods to make learning hands-on and meaningful.

Starting early with your learning will mean that you have time to deal with things in small steps. Even a large goal is more approachable if you break it down into smaller ones and just get started.

Our Services

All courses at Southern English College have been carefully designed by experienced teachers in cooperation with education managers to ensure they are fully accredited and provide plenty of opportunities to develop your English skills. Our approach is to blend traditional teacher-led classroom-based activities often incorporating new experience and application of knowledge outside the classroom.

Support

Friendly and professional student support team providing academic and welfare assistance.

Services

Airport pick up for students when booked in advance. Detailed pre departure information and after arrival orientation program.
